

## President's Report

We're coming to the end of 2020 and the committee decided we should finish the year with a heart-warming and charming play. Vanessa Jensen has found a beauty in **Old Love** by Norm Foster and I hope you all enjoy it. I have to confess that I'm performing in this one so I'm not impartial but I think it's going to be great!

I've had queries from a few people asking what's happening with our tenancy at our current premises. There has been a bit of publicity and we haven't known ourselves what was happening for much of the year. The City of Melville have told us that we will be able to stay here until 2023 so we are happy to have some certainty for now. We're planning to do some work on the building in the next year to update and improve so watch this space.

I hope you can all join us for a BBQ to celebrate the end of 2020 and welcome a new and hopefully better year! Details are below.

See you all at the theatre soon!
